Phase 4 - SpaceSequence

- 9 part SpaceSequence

SpaceSequences are not a requirement to earn the badge. Continue to work on individual components if preferred.

SCENTVENTURE AWARDS

You are putting your hearts and souls into this mission, in the same way that you show up for your dog day in, day out.

You deserve to be rewarded for that!

The Scentventure Awards started from a sense of awe and amazement at the things Club members were achieving. This Trilogy is turning out to be no different.

How to earn the badge

To earn the limited collector's edition Scentventure Spacestars badge, complete the following steps.

Provide evidence of you and your dog having a go at all of the challenges from Episodes I, II and III, as well as at least four bonus activities from Spacecraft or Rocket Fuel.

When you have finished everything, place the order for your badge (£5, order link to follow).

We will then verify your submissions and send your badge on the next ship bound for your galaxy.

Our logo is being made into an enamel pin for your collection!
